
James W. McNally, Ph.D.
Director, NACDA Program on Aging
Research Investigator/Archivist
National Archive of Computerized Data on Aging (NACDA)
Inter-university Consortium for Political and Social Research (ICPSR)
Institute of Social Research (ISR)
University of Michigan
330 Packard Street
Ann Arbor, Michigan 48109
jmcnally@umich.edu
734-615-9520

Education

- Ph.D., Demography and Sociology. 1994. Population Studies and Training Center. Brown University Providence, RI (Minor in Gerontology)
Thesis: The Indirect Estimation of Parental Mortality: An Extension of Orphanhood Techniques to Maximum Likelihood Estimates with Bayesian Applications. May, 1994.
- M.A., Applied Demography. 1989. Department of Demography. Georgetown University Washington, DC
Thesis: The Characteristics of Nonrespondents: A Preliminary Model Based on Examination of the National Survey of Family Growth, Cycle IV. August, 1989.
- B.A., Anthropology. 1983. Department of Anthropology. University of Maryland College Park, MD (Concentration in Physical Anthropology/Forensics)

Academic and Research Appointments

- Director, NACDA Program on Aging. Research Investigator/Archivist. Inter-university Consortium for Political and Social Research (ICPSR). Institute for Social Research. University of Michigan. 2006-Present.
- Research Faculty. The University of Michigan Center on the Demography of Aging (MiCDA). Institute for Social Research. University of Michigan. 2003-Present.
- Director, NACDA Program on Aging. Archivist/Senior Research Associate. Inter-university Consortium for Political and Social Research (ICPSR). Institute for Social Research. University of Michigan. 1998-2006.
- Assistant Professor of Population Research. Population Studies and Training Center. Brown University Providence, RI. 1996-1999.
- Assistant Professor of Sociology (Adj). Department of Sociology and Anthropology. University of Rhode Island South Kingstown, RI. 1996-1999
- Research Associate. Population Studies and Training Center. Brown University Providence, RI. 1995-1996.
- NIA Postdoctoral Fellow. Center for Policy Research. Syracuse University Syracuse, NY. 1994-1996.

NIA Predoctoral Trainee, Population Studies and Training Center, Brown University, Providence, Rhode Island, 1990-1994.

Statistician Demographer - National Survey of Family Growth. National Center for Health Statistics Hyattsville, MD. 1989-1990.

Research Interests

- Gerontology, caregiving for the elderly and family exchange.
- Survey and Census methodology, survey design.
- Imputation modeling and impacts of missing data on statistical models.
- Simulation modeling.

Awards, Honors and Invited Papers

Plenary Speaker for the Malaysian National Population Conference 2007 “Demographic Windows for Development: Opportunities and Challenges”. “Population Aging in the 21 Century: Demographic Trends and Potential Implications for Policy Development”. Kala Lumpur, Malaysia, July 3-5, 2007.

Invited Lecturer: Healthcare Intersections: Exploring Multiple Identities. University of Michigan Medical School 5th Annual Minority Health Symposium. February 5, 2007.

Invited Lecturer: The 2004 Foreign Scholar Lecture Series. National Institute of Population and Social Security Research. Government of Japan. Tokyo, Japan. Aug 2, 2004.

Guest Lecturer at the 35rd Summer Seminar on Aging. June 10, 2004. East-West Center. Honolulu, Hawaii. June, 2004.

Invited speaker at the Institute of Sociology, Socialist Republic of Vietnam. Hanoi, Vietnam. August 10, 2003.

Guest Lecturer at the 33rd Summer Seminar on Population. Thursday, June 6, 2002. East-West Center. Honolulu, Hawaii. June, 2002.

Invited Speaker for NIH Workshop on the Inclusion of Language-Minority Populations in National Studies. July 27-28, 2000. NIH Campus, Bethesda, MD.

Visiting Scholar to the East West Center's Pacific Island Development Program, Honolulu, Hawaii - Spring, 1996.

Visiting Scholar to the East West Center's Program on Population, Honolulu, Hawaii - Summer, 1995.

National Institute on Aging (NIA) Postdoctoral Fellowship, Syracuse University, Syracuse, New York, 1994-1996.

National Institute on Aging (NIA) Predoctoral Trainee, Brown University, Providence, Rhode Island, 1990-1994.

Funded Grants

Principle Investigator of Sub-Contract “Archiving the Longitudinal Assessment of Cognition of Adults”. NIA R01AG010569. August 1, 2008-July 31, 2011.

Investigator on the Methods and Measurement Core. Michigan Center for Urban African American Aging. NIA P30AG015281. James Jackson (PI). September 30, 2008-June 30, 2012.

Principle Investigator for “Archiving the National Long Term Care Survey: 1982-2004”. (NIA R03AG031363). September 1, 2007 to August 31, 2008.

Principle Investigator for “Factors in Aging (NACDA)”. NIA P-30 Center Grant (NIA P30AG004590). September 1, 2007 to August 31, 2012.

Principle Investigator for the Prevalence of research data measuring the impacts of HIV/AIDS among those aged 50 and older. Pilot Study funded by the Michigan Center for the Demography of Aging (MiCDA). NIA P30AG012846. John Bound (PI). September 1, 2006- August 31, 2008

Principle Investigator for “Archiving the Retirement History Longitudinal Survey: 1969-1979”. (NIA R03AG027871) September 1, 2006 to April 30, 2008.

Investigator and Initiator for “Enhancing the National Long Term Care Survey for the Creation of a Longitudinal Public Use File”. NIH/NIA Supplement to the Factors in Aging (NACDA) NIA P-30 Center Grant (NIA P30AG004590). August, 2006 to August, 2007.

Investigator and Initiator for “Creating a Reading Room for the National Long Term Care Survey Administrative Documents”. NIH/NIA Supplement to the Factors in Aging (NACDA) NIA P-30 Center Grant (NIA P30AG004590). August, 2006 to August, 2007.

Principle Investigator for “Archiving the National Long Term Care Survey”. Service Contract with NIH/NIA. August, 2006.

Principle Investigator for “Archiving the National Long Term Care Survey: An Initial Evaluation”. Service Contract with NIH/NIA. May, 2006.

Principal Investigator for “Resources for the Secure Dissemination of Human Subjects Data. Program Project Four under the “Human Subject Protection and Disclosure Risk Analysis” Program Project, Myron Gutmann, Program Project PI. National Institute of Child Health and Human Development. January, 2004 to December 2009.

Co-Investigator, Project Director for “Factors in Aging (NACDA)”. NIA P-30 Center Grant (NIA P30AG004590). September 1, 2002 to August 31, 2007.

Principal Investigator for “Clean Process Data Methodology: Documenting the Lillard Method Using the PSID”. R-03 Sept 15, 2003 to March 31, 2005.

Investigator and Initiator for “Factors in Aging Minority Supplement”. Supplement to the Factors in Aging (NACDA) P-30 grant. NIA. Oct 1, 2001 to Aug 31, 2002.

Investigator and Initiator for “Minority Aging and Health Initiative (MAHI)”. Supplement to the Factors in Aging (NACDA) P-30 grant. NIA. May 1, 2000 to Aug 31, 2003.

Principal Investigator Andrus Foundation. Principal Investigator for Increasing the Access of Community Stakeholders to Health Data on the Elderly. AARP, Andrus Foundation. 2001-2002.

Co-Investigator for Community Modeling and Folk Management: Balancing the Rush of Poverty to the Coast with Sustainable Resource and Population Policy. MacArthur Foundation. 1998-2000.

Principal Investigator for "Counting On Ourselves: A Demographic Study of Providence as a City and a Community". Rhode Island Foundation. 1997-1998.

Principal Investigator for the Demography of Aging In Fiji Study. Pilot Project, NIA Center for the Study of the Demography of Aging. Center for Policy Research, Syracuse University. 1995.

Grants Pending or Under Review or Revision

Principal Investigator for the Archiving the Americans' Changing Lives Study: Enhancing Research Opportunities. NIA R03AG032373. Funding expected to begin Fall, 2008.

Principle Investigator of Archival Sub-Contract for Epidemiology of Functional Status in Elderly Hispanics (SALSA). Mary Haan (PI) R01AG012975. NIA. Currently under Review.

Principle Investigator for the Archiving the NHANES Extraction Tools and Documentation to Facilitate Research. R03 Application. NIA. Currently under Review.

Grants Submitted but not Funded

Principal Investigator for "Creating A Biomarker Registry for Secondary Data Collections". Unfunded R-21 grant application.

Co-Investigator. "The American Samoan Community Survey: Measuring Employment, Health and Families Among the American Samoan People". Dept of Health & Human Services. Administration on Native Americans.

Principle Investigator for ICPSR Archiving Subcontract to Lay Explanations and Self-Management of Diabetes". University of Ohio, Miami Primary.

Advisory Committees

Advisory Board Member for the "Archiving the Charleston Heart Study". Center for Health Care Research Medical. University of South Carolina. Charleston, South Carolina. 2002 to 2004.

Steering Committee Member for the Ageing, Health and Wellbeing in Latin America and the Caribbean Project: SABE. Pan-American Health Organization. Washington, DC. 2002 to 2004.

University of Michigan Activities

Member, Committee for a Multicultural University. Senate Advisory Committee on University Affairs (SACUA). Three year appointment: Fall 2004-Summer2007.

Mentor, ISR Mentoring Program. Spring-Summer 2004.

Member, Search Committee for the Director for the National Archive of Criminal Justice Data (NACJD). Spring, 2004.

Member ISR Career Tracks Committee. Fall 2002 to 2004.

Chair, ISR Career Tracks Committee Subcommittee on Data Analysis and Reporting Activities and Tasks. Spring 2003 to Summer 2004.

Recent Course Work

Lead Instructor for the 2005 NACDA Summer Workshop on Aging and Health In Latin America and the Caribbean. NACDA/ICPSR, University of Michigan. June 6th to June 12th, 2005.

Lead Instructor for the 2006 NACDA Summer Workshop on Aging and Health among Hispanic and Latin America Elderly. NACDA/ICPSR, University of Michigan. June 5th to June 9th, 2006.

Professional Organizations

Population Association of America (PAA): 1988 to present

Gerontological Association of America (GSA): 1998 to present

Sociological Association of America (ASA): 1998 to present

American Society on Aging (ASA): 2000 to present

International Union for the Scientific Study of Population (IUSSP): 2001 to present

Professionals with Personal Experience in Chronic Care Network (PPECC): 2003 to present.

Chaired, Organized or Discussant Sessions or Workshops:

“Respondent Confidentiality and Disclosure Review. Organizer: James W. McNally. Pre-Conference Workshop performed at the 2006 Meetings of the Gerontological Society of America. November 22-26. Dallas, Texas. November, 2006.

“The Processing, Preparation and Distribution of Data”. Organizer: James W. McNally. Pre-Conference Workshop performed at the 1999 Meetings of the Gerontological Society of America. November 22-26. San Francisco, California. November, 1999.

New Strategies in Demographic Measurement and Analysis. Chair: James W. McNally, University of Michigan. Session 73. 2003 Meetings of the Population Association of America. Minneapolis, Minnesota.

Innovative Applications to enhance the use of Secondary Data. Chair: Roger Avery, Brown University. Session Organizer- James McNally. Session 13. 2003 Meetings of the Population Association of America. Minneapolis, Minnesota.

Disparity in Aging: Gender, Race/Ethnicity, and Economic Status. Chair: James W. McNally, University of Michigan. Session 92. 2002 Meetings of the Population Association of America. Atlanta, Georgia.

Policy and Migration. Chair: Dang Nguyen Anh. Discussant: James W. McNally. Session S14. 2002 Regional Population Conference "Southeast Asia's Population in a Changing Asian Context". June 10-13, 2002.

Applied Statistical Techniques. Chair: James W. McNally. June, 7, 2002. Hawaii International Conference on Statistics: First Annual Conference. June 5-9. Honolulu, Hawaii.

Population and the Environment. Chair: James W. McNally, University of Michigan. Session 956. 1999 Meetings of the Population Association of America. New York, New York.

Creative Approaches to Missing and Incomplete Data. Chair: James W. McNally. 1997 Meetings of the Population Association of America. Washington D.C. , March, 1997.

Publications, Reports and Book Chapters

- The Characteristics of Nonrespondents: A Preliminary Model Based on Examination of the National Survey of Family Growth, Cycle IV. 1989. James W. McNally. In partial fulfillment for the requirements of a Masters Degree in Demography at Georgetown University, Washington DC. August, 1989.

Papers Under Review or in Revision

- "Elderly at Risk: Aging and HIV Infection". Voon Chin Phua, James W. McNally, Desiree Ciambone. Submitted to journal AIDS for peer review, Summer 2008.
- "Economic Hardship Among Native Hawaiian and Pacific Islander Elders". Sela V. Panapasa, James W. McNally, Voon Chin Phua. Submitted for the AAPI Nexus Journal for the Special Issue on Aging; (expected publication 2009).
- "Burden of Stroke Among Older Persons in Fiji". Sela V. Panapasa, Jagdish C. Maharaj, FAFRM (RACP), and James W. McNally. Submitted for peer review to Stroke, Summer 2008.

-
- “Companionship, Affection and Sexuality at End of Life: Adaptive Networks for Intimacy”. James W. McNally and Martha Sayre. Accepted for the special issue of the Journal of Sexuality Research and Social Policy "Sexuality and Aging"
- “Age at Immigration and Public Assistance Receipt: The Case of Elderly Asian Americans”. James W. McNally and Voon Chin Phau. Submitted to Journal of Aging and Social Policy 2008, currently being revised for publication under editor’s comments.

Working Papers

- "Generating Hot-Deck Imputation Estimates: Using SAS for Simple and Multiple Imputation Allocation Routines" James McNally. PSTC Working Paper Series, 97(10).
- "From Cradle to Grave: Health Expectancy and Family Support Among the Elderly in Fiji." Sela V. Panapasa and James W. McNally. 1995. Originally presented at the REVES 8 Conference. October 5th to October 7th. Chicago, IL PSTC Working Paper Series, 97(10).
- "Misplaced Affection: The Use of Multiple Imputation to Reconstruct Missing Cohabiting Partner Information in the NSFH". 1997. James W. McNally, Sharon Sassler and Robert Schoen. Originally Presented at the 1997 Meetings of the Population Association of America. March 26-29, Washington D.C. PSTC Working Paper Series, 97(9).
- "Wealth Flows and the Extended Family in the Pacific: Tongan Labor Force Migration and Remittance Behavior". James W. McNally, Sela V. Panapasa and Sitiveni Halapua. 1996. Invited paper presented at the Conference on the Flow of Wealth Within the Family: Perspectives from Developed and Developing Countries. Brown University. April 12, 1996. PSTC Working Paper Series 96-11.
- "Family Structures, Family Support and Institutionalization: Results from Merged Data". 1995. James McNally and Douglas Wolf . Papers in Microsimulation Series, #2. Center for Policy Research. Syracuse, NY. January 1996, 38 pp.

Professional Presentations

- “Is it a Biomarker, a Biomeasure, or a Bioindicator? – Research Models to Organize Biomedical Data for Demographic Analysis”. James W. McNally and Martha Sayre. Presented at the 2008 Meetings of the European Population Conference. July 9-10, 2008. Barcelona Spain.
- “Prevalence of Measurement Data on the Impacts of HIV/AIDS among Those Aged 50 and older: Data resources to examine cohort and period transitions”. James W. McNally. Presented at the 2008 Meetings of the European Population Conference. July 9-10, 2008. Barcelona Spain.
- “Protecting Respondent Confidentiality and Measuring the Risks of Deductive Disclosure: Issues for the Preparation and Use of Research Data”. James W. McNally and Martha Sayre. Presented at the 7th Annual International Conference on Statistics, Mathematics and Related Field. Honolulu, Hawaii. January, 2008.
- “Suicide and Depression among Elderly Asian and Pacific Islanders in the United States: 1992 to 2001”. James W. McNally and Sela V. Panapasa. EWC/EWCA 2006 International Conference: Building an Asia Pacific Community for Sustainable Development. Hanoi, Vietnam. December 8-10, 2006

-
- “Family Support of Elderly Females: The Impacts of Internal Migration and Changing Household Composition on Support Networks in Vietnam”. James W. McNally. EWC/EWCA 2006 International Conference: Building an Asia Pacific Community for Sustainable Development. Hanoi, Vietnam. December 8-10, 2006
- “Measuring the Simultaneous Impacts of Population Growth, Migration and Environmental Impacts Across Time in Palawan Province, the Philippines”. James W. McNally and John Poggie. EWC/EWCA 2006 International Conference: Building an Asia Pacific Community for Sustainable Development. Hanoi, Vietnam. December 8-10, 2006
- “Creating a Biomarker Registry for Publicly Available Data”. Poster presentation at the 2006 Meetings of the Gerontological Society of America. Houston, TX. November 16-20, 2006.
- “Intergenerational support and family composition of elderly households in Cuba”. James W. McNally and Lindy Williams. International Union for the Scientific Study of Population. XXV International Population Conference. Tours, France, July 18-23, 2005
- “Intergenerational coresidence among elderly Pacific Islander Americans”. Sela V. Panapasa and James W. McNally. International Union for the Scientific Study of Population. XXV International Population Conference. Tours, France, July 18-23, 2005
- “Family support and coresidence patterns in seven Latin America Urban Centers”. James W. McNally. Paper presented at the 18th Congress of the International Association of Gerontology. Rio De Janeiro, Brazil. June 26 to 30, 2005.
- “Emerging Approaches in the Management and Preparation of Longitudinal Analysis Sets: "Clean Process" Methodologies”, James W. McNally. Paper Presentation at the 2004 Meetings Third Annual Hawaii International Conference on Statistics, Mathematics and Related Fields. Honolulu, Hawaii. June 2004.
- “Measuring the Simultaneous Impacts in Population Growth, Migration and Environmental Impacts Across Time in Palawan Province, the Philippines”. James McNally, John Poggie, Michael Rice and James Ader. Paper Presentation at the 2004 Meetings Third Annual Hawaii International Conference on Statistics, Mathematics and Related Fields. Honolulu, Hawaii. June, 2004.
- “Clean Process Data Methodology -- Emerging Approaches in the Management and Preparation of Longitudinal Analysis Sets”. James W. McNally. Poster Presentation at the 2004 Meetings of the Population Association of America. Boston, Massachusetts. April, 2004.
- “Demographic Trajectories, Migration and Environmental Impacts -- Palawan Province, the Philippines as a Micro-Demographic Laboratory” James McNally, John Poggie, Michael Rice and James Ader. Paper Presentation at the 2004 Meetings of the Population Association of America. Boston, Massachusetts. April, 2004.
- “Longitudinal Impacts of Preexisting Conditions on Future Health Outcomes among Aged Minority Populations in the United States”. Beverly P. Lyons and James W. McNally. Poster Presentation at the 2004 Meetings of the Population Association of America. Boston, Massachusetts. April, 2004.
- “The Introduction of Bias in Birth Projections in Small Areas near Colleges and Universities: Impacts and Adjustments” James W. McNally, David Gagnon, and; Janet Muri. Paper Presentation at the 2004 Meetings of the Population Association of America. Boston, Massachusetts. April, 2004.

-
- “Patterns of Intergenerational Coresidence Among Pacific Islander Americans” James W. McNally and Sela V. Panapasa. Paper presented at the 2003 Meetings of the Gerontological Association of America. San Diego, California. November, 2003.
- “The Use of Rapid Assessment Techniques to Acquire Baseline Data in Squatter Communities: The Case of Palawan Province, the Philippines”. James W. McNally, John Poggie. Paper Presented at the 2003 Meetings of the Population Association of America. Minneapolis, Minnesota. May, 2003.
- “Web based interfaced as an emerging tool for the sharing of international data resources”. 2002. James W. McNally. Paper Presented at the 2002 Regional Population Conference "Southeast Asia's Population in a Changing Asian Context". June 10-13, 2002.
- “The impact of rapid migration on environmental stability: Coastal resource management in Palawan Province, Philippines”. 2002. James W. McNally, John Poggie and Aurora E. Perez. Paper Presented at the 2002 Regional Population Conference "Southeast Asia's Population in a Changing Asian Context". June 10-13, 2002. Bangkok, Thailand.
- “Diversity and Structure of Intergenerational Relationship: Elderly Parents-Adult Children Relations in Korea”. J. McNally, V. Phua, K. Park, R. Sun. Paper presented at the Family and Intergenerational Relations Session III. 2002 Meetings of the Gerontological Society of America. November 22-26. Boston, Massachusetts.
- “Accessing Data on the Elderly in the 21st Century: The 2000 Census and Beyond”. 2002. Presentation for the 2002 NCOA—ASA Joint Conference Session: Census 2000: Practical Applications for Practitioners and Academics. Denver, Colorado. March, 2002.
- “Evaluation the Validity of Rapid Assessment Techniques to Acquire Baseline Data in Squatter Communities”. James McNally and John Poggie. 2002. Paper present at the Hawaii International Conference on Statistics: First Annual Conference. June 5-9. Honolulu, Hawaii. June, 2002.
- “The Impact of Rapid Migration on Environmental Stability: Coastal Resource Management in Palawan Province, Philippines. 2000”. James W. McNally, John Poggie, Chistopher Dyer, Richard Burroughs. Paper presented at Population Association of America 1999 Annual Meeting. Los Angeles, CA, 2000.
- “Overweight and Underexposed: The measurement of non-English speaking Populations in US representative surveys”. James W. McNally. Commissioned paper for the workshop on the Inclusion of Language-Minority Populations in National Studies. July 27-28, 2000. NIH Campus, Bethesda, MD.
- “Inter-generational Abandonment: Custodial Grandparenting in the Developing World. 2000”. Sela V Panapasa and James McNally. Poster presented at Population Association of America 2000 Annual Meeting. Los Angeles, CA, 2000.
- “Revitalizing Retired Retirement Surveys, A Case Study: The 1950 to 1959 Cornell Longitudinal Study of Retirement”. 1999. James McNally and Joyce French. Poster presented at the 1999 Population Association of America Meeting. New York, New York.
- "Making the Grade - The demography of educational attainment". 1998. James W. McNally and Regina Buris. Presented at the 1998 Population Association of Meetings in Chicago II. Presentation Award Winner in Poster Session 2.
- “Misplaced Affection”: The Use of Multiple Imputation to Reconstruct Missing Cohabiting Partner Information in the NSFH. 1998. James W. McNally. Sharon Sassler. Robert

-
- Schoen. Paper Presented at the 1998 Meetings of the Population Association of America March 26-29. Washington D.C.
- "Longitudinal Patterns of Family Violence: New Evidence from Wave 1 and 2 of the National Survey of Households and Families". 1996. James W. McNally and Sela Panapasa. Paper presented as part of the PAA Poster Session. PAA Annual Meeting. New Orleans. March, 1996.
- "Better Than Nothing": Imputation Strategies in Demographic Research". 1996. James W. McNally. Paper presented at the PSTC Summer Research Series. Population Studies and Training Center, Brown University, Providence, Rhode Island. July, 1996.
- "Weebles Wobble But They Don't Fall Down: Applications of Multiple Imputation to Social Science Data". 1995. James W. McNally. Paper Presented at the Program on Population Summer Brown Bag Series. East-West Center, Honolulu, Hawaii. June, 1995.
- "Family Structures, Family Support and Institutionalization: Results from Merged Data". 1995. James McNally and Douglas Wolf . Paper presented at the 1995 PAA Meetings in San Francisco. March, 1995.
- "Measuring Parental Mortality: Indirect Estimation of Parental Mortality Using a Bayesian Posterior Distribution". 1994. James W. McNally. Paper presented at the 1994 Annual Meeting of the Population Association of America. Miami, Florida. May 5-7, 1994.
- "Family Structures, Family Support and Institutionalization: Results from Merged Data". 1995. James McNally and Douglas Wolf . Paper presented at the 1995 PAA Meetings in San Francisco. March, 1995.
- "Manipulating Government Data on CD-ROM: Basic Principles and Procedures". 1995. James W. McNally. Paper Presented at the Center for Policy Research Brown Bag series on computer issues. Center for Policy Research, Syracuse University, Syracuse, New York. March 3, 1995.
- "Manipulating SAS Output: Creating customized tables and presentation materials". 1994. James W. McNally. Paper presented at PSTC Brown Bag series on data management. Population Studies and Training Center, Brown University, Providence, Rhode Island. December, 1994.
- "Measuring Parental Availability: Indirect Estimation of the Pattern of Parental Availability" 1994. James W. McNally. Paper presented at the NIA Workshop on Cross-National Issues in Aging. Center for Policy Research, Syracuse University, Syracuse, New York. September, 1994.
- "Measuring Parental Mortality: Indirect Estimation of Parental Mortality Using a Bayesian Posterior Distribution". 1994. James W. McNally. Paper presented at the 1994 Annual Meeting of the Population Association of America. Miami, Florida. May 5-7, 1994.
- "Addressing Item Non-Response: An application of Multiple Imputation to Predict Parental Mortality". 1994. James W. McNally. Paper presented at the request of National Analysts, 1700 Market Street, Philadelphia, PA. February 9, 1994.
- "Checks and Balances: Pre and Post Coup Racial Economics in Fiji: 1976-1990". James W. McNally and Sela V. Panapasa. Paper presented at the 1993 meetings of the Population Association of America, Cincinnati, Ohio. April 1 to April 3, 1993.
