Information about Copyrighted Content

Some instruments administered as part of this study may contain in whole or substantially in part contents from copyrighted instruments. Reproductions of the instruments are provided as documentation for the analysis of the data associated with this collection. Restrictions on "fair use" apply to all copyrighted content. More information about the reproduction of copyrighted works by educators and librarians is available from the United States Copyright Office.

NOTICE
WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

SWAN DATA LIMITED USE AGREEMENT

This data use agreement is between ICPSR and the individual signing the agreement, hereafter referred to as User.

Whereas, the SWAN data contain certain information User wishes to use for research, public health, or health care operations as permitted under 42 C.F.R. 164.514(e), User agrees as follows:

a. Not to use or further disclose the Limited Use SWAN Data Set or any information contained therein other than as permitted by this agreement or required by applicable law.

b. To use appropriate safeguards to prevent use or disclosure of the information other than as provided for by this agreement.

c. To report to ICPSR any use or disclosure of the Limited Use SWAN Data Set or any part of it not provided for by this agreement of which User becomes aware.

d. Not to use the information contained in the Limited Use SWAN Data Set to identify the individuals whose information is contained in the Limited Use SWAN Data Set, nor to contact them under any circumstances.

e. In the event ICPSR becomes aware of any use of the Limited Use SWAN Data Set or any part of it that is not authorized under this agreement or required by applicable law, it may (i) terminate this agreement upon notice; (ii) disqualify the User from receiving protected health information in the future; and/ or (iii) report the inappropriate use or disclosure to the Secretary of the Department of Health and Human Affairs. Further sanctions may apply under 42 C.F.R. parts 160 and 164.

ICPSR and the NACDA Program on Aging will use the User information to create a registry to be used for quality assurance, bench marking and research follow-up with appropriate permission and in accordance with the requirements of the "Common Rule" 45 CFR 46 and the Privacy regulations 45 CFR 160 and 164.

The User agrees to provide ICPSR with information regarding the use of the SWAN data for publications, seminars, conference papers, and other research related outcomes to be added in the bibliography of use that ICPSR maintains for all studies in its collections.

The Responsible Party User or PI proposing or supporting the use of the SWAN data for research, must be a faculty level PI, a Research Scientist or have a similar full time appointment at a University, College or Research Center. Graduate students interested in using SWAN for thesis development or research purposes must obtain the signature of their faculty advisor as the responsible Party User.

The SWAN data must be maintained in a secure location. No duplication of the data for further distribution is allowed under this agreement. The data can not be placed upon an unsecured computer network for analysis. Wherefore, User and Responsible Party hereby accept and agree to these terms by signing and providing the information below.
