QUESTIONNAIRE FOR RURAL HOUSEHOLD
INCOME, CONSUMPTION AND EMPLOYMENT (2002)

Enumerators, please read the following to the household before the survey.

In order to examine the current rural issues and provide policy suggestions to the Government, Rural Survey Group of SSB and Institute of Economics of CASS jointly conduct this survey on issues like income, consumption, employment and production. Please answer the questions faithfully and help enumerators fill out the questionnaire seriously according to the actual situation of your family and your own thought. We will keep your data confidential as required by the Statistics Law. Thank you for your cooperation!
