Information about Copyrighted Content

Some instruments administered as part of this study may contain in whole or substantially in part contents from copyrighted instruments. Reproductions of the instruments are provided as documentation for the analysis of the data associated with this collection. Restrictions on "fair use" apply to all copyrighted content. More information about the reproduction of copyrighted works by educators and librarians is available from the United States Copyright Office.

NOTICE

WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

CJ-DATS TIC Motivation module Codebook 2008

Missing Value Codes: Unless otherwise noted in the Values column of the codebook, missing values are coded as follows:

Missing Value	Explanation
-1	Variable not on form
-2	Illegible
-3	Not applicable
-4	Don't know
-5	Bad data
-6	Multiple response
-7	Refusal
-8	Blank
-9	Legitimate skip
