Information about Copyrighted Content

Some instruments administered as part of this study may contain in whole or substantially in part contents from copyrighted instruments. Reproductions of the instruments are provided as documentation for the analysis of the data associated with this collection. Restrictions on "fair use" apply to all copyrighted content. More information about the reproduction of copyrighted works by educators and librarians is available from the United States Copyright Office.

NOTICE

WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

ICPSR DATA COLLECTION INSTRUMENT NOTES

- 1) Users should be aware that there is no true questionnaire for this study. Originally the data was entered into an Access database. ICPSR is providing the database form that captured the original data entry below.

ID

(New)

Surveillance System Name

Nation of Origin

Intended Use

Mode of Surveillance:

Active Surveillance

Passive Surveillance

Sentinel Surveillance

Surveillance System Topic

Anti-microbial resistance

Foodborne illnesses

Incident/suspect-based

Infectious disease

Influenza

Injury-related

Nosocomial

If Topic is "Other classification", please specify:

Software/technology (not a surveillance system)

Syndromic

Zoonotic/Animal disease

Reporting Agent

Emergency room

Health care provider

Hospital (non-emergency/non-laboratory)

Laboratory

Law Enforcement

If Agent is "Other classification", please specify:

Secondary data analysis

Self-reported

Software/technology (not a surveillance system)

Exclude this system?

Coded By:

Initial Coding Completed:

Coding Verified By:

Final Coding Completed:

System URL address (WWW):

Data Collector (including sponsoring Center/Division)

Cooperating Agencies (including cooperating Centers/Divisions)

Primary system stakeholders

Source of Surveillance Data

Method of data collection:

Population Tracked

Reporting: list alerts, daily, weekly, monthly, annual, or other analysis and summary reports

Distribution/Availability of Reports/Data

Data quality documentation (reports, articles, etc.)

Data processing procedures/schedule

Public use file available?

Design report available?

Data quality report available?

Start and Stop dates

How frequently are data delivered to sponsor or main database (on flow basis, hourly, daily, weekly, etc.) ?

List any secondary users or applications of the system:

What is the lag between the delivery of the data and the availability of the analysis file or report?

Analysis/reporting methods used:

Comments, web links, and additional references
