## Information about Copyrighted Content

Some instruments administered as part of this study may contain in whole or substantially in part contents from copyrighted instruments. Reproductions of the instruments are provided as documentation for the analysis of the data associated with this collection. Restrictions on "fair use" apply to all copyrighted content. More information about the reproduction of copyrighted works by educators and librarians is available from the United States Copyright Office.

### NOTICE

#### WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

## ICPSR Processing Notes

1. To protect respondent confidentiality, certain identifying information is restricted from general dissemination.

Users interested in obtaining these data must complete a Restricted Data Use Agreement form and specify the reasons for the request. A copy of the Restricted Data Use Agreement form can be requested by calling 800-000-0960. Researchers can also download the form as a Portable Document Format (PDF) file from the download page associated with this dataset.

Completed forms should be returned to: Director, National Archive of Criminal Justice Data, Inter-university Consortium for Political and Social Research, Institute for Social Research, P.O. Box 1248, University of Michigan, Ann Arbor, MI 48106-1248, or by fax: 734-647-8200.

2. The following variables have been modified to protect respondent confidentiality: ETHNICCAT, ELLYR0, MEALYR0, SECATYR0, MATHSSYR0, PRESENTYR0, ABSENTYR0, EXABSYR0, DAYSSUSPENDEYR0, SUSPYR0, GRADEYR1, ELLYR1, MEALYR1, SECATYR1, ELASSYR1, MATHSSYR1, PRESENTYR1, ABSENTYR1, EXABSYR1, DAYSSUSPENDEYR1, SUSPYR1, ELLYR2, MEALYR2, SECATYR2, ELASSYR2, MATHSSYR2, PRESENTYR2, ABSENTYR2, EXABSYR2, UNEXCABSYR2, DAYSSUPENDEYR2, and SUSPYR2.

These variables are available in their original form through the Restricted Data Use Agreement described above.

3. ICPSR recoded blanks in numeric variables to -9 and labeled them Blank. All declared missing codes other than -9 were assigned by the principal investigator.
4. Users should be aware that the data may contain undocumented codes. These codes were not labeled by either the principal investigator or ICPSR.
5. Users should be aware that the data may contain out of range values.

## **Outcome Evaluation of Tribes Learning Communities in California, 2007-2010**

### **Variable Description and Frequencies**

**Note: Frequencies displayed for the variables are not weighted. They are purely descriptive and may not be representative of the study population. Please review any sampling or weighting information available with the study.**

**Summary statistics (minimum, maximum, mean, median, and standard deviation) may not be available for every variable in the codebook. Conversely, a listing of frequencies in table format may not be present for every variable in the codebook either. However, all variables in the dataset are present and display sufficient information about each variable. These decisions are made intentionally and are at the discretion of the archive producing this codebook.**
