ICSPR CODEBOOK NOTES

- 1) To protect respondent confidentiality, the data are restricted from general dissemination. Users interested in obtaining these data must complete a Restricted Data Use Agreement form and specify the reasons for the request. A copy of the Restricted Data Use Agreement form can be requested by calling 800-000-0960. Researchers can also download this form as a Portable Document Format (PDF) file from the download page associated with this dataset.

Completed forms should be returned to: Director, National Archive of Criminal Justice Data, Inter-university Consortium for Political and Social Research, Institute for Social Research, P.O. Box 1248, University of Michigan, Ann Arbor, MI 48106-1248, or by fax: 734-647-8200.

- 2) ICPSR recoded blanks in numeric variables to -9 and labeled them "Blank". The Data Completeness Report identifies missing data coded as -9 "Blank". Variables may also contain other codes typically considered missing values that were not declared as missing values by the principal investigators.
- 3) Users should be aware that this data collection may contain undocumented codes. These codes were not labeled by the principal investigator or ICPSR.
