WRITING A RESEARCH PAPER? WANT AWARDS ($$)? RECOGNITION?

Announcing the ICPSR Undergraduate Research Paper Competition

The purpose of the competition is to highlight exemplary undergraduate student research papers that are based on quantitative analysis.

> First place winner receives $1,000! Second place receives $750 and third place $500!
> Each winner receives a plaque and certificate in recognition of the award
> On request, ICPSR will provide letters of achievement for use in development of your student portfolio
> The first place paper will be published in ICPSR’s Bulletin, and all three winning papers will be published on the ICPSR Web site
> Deadline for submission — January 31, 2008

See http://www.icpsr.umich.edu/prize for competition details!
