Information about Copyrighted Content

Some instruments administered as part of this study may contain in whole or substantially in part contents from copyrighted instruments. Reproductions of the instruments are provided as documentation for the analysis of the data associated with this collection. Restrictions on "fair use" apply to all copyrighted content. More information about the reproduction of copyrighted works by educators and librarians is available from the United States Copyright Office.

NOTICE
WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study, scholarship, or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

4 Very bad
9 Don't know/No answer

text = 
How would you rate the financial situation in your household these days? Is it very good, fairly good, fairly bad, or very bad?

* 
name = q51
label = Pay Housing Costs
record = 1
column = 90
width = 1
labels =
1 Very concerned
2 Somewhat concerned
3 Not very concerned
4 Not at all concerned
9 DK/NA

text = 
How concerned are you about being able to pay your housing costs --very concerned, somewhat concerned, not very concerned, or not at all concerned?
As you may know, in many areas of the country, home values have declined over the last year. How much has the decline in home values affected you personally -- a lot, some, not much or not at all?

Do you think the federal government should provide financial help to homeowners who are having trouble repaying their mortgages because their rates went up or shouldn't the federal government do this?

Think about your household income, would you say that it is more than enough so that you can save money or buy some extras, just enough to meet your bills and obligations, or is it not enough to meet your bills and obligations?
Thinking about your household's financial future--do you feel very secure about your household's financial future, somewhat secure, not very secure, or do you feel not at all secure about your household's financial future?

Do you think of investment in the stock market as generally a safe investment or generally a risky investment?

Do you personally, or jointly with a spouse, have any money invested in the stock market right now -- either in an individual stock or in a mutual fund, including IRA's and 401-K plans, or don't you?
In the past year, did you make money on those investments or lose money on those investments? If lost money, ask: Do you consider the money you lost to be significant, or not significant?

* name = q61
