Acknowledgement of Assistance

All manuscripts utilizing data made available through the Consortium should acknowledge that fact as well as identify the original collector of the data. The ICPSR Council urges all users of the ICPSR Data facilities to follow some adaptation of this statement with the parentheses indicating items to be filled in appropriately or deleted by the individual user.

The data (and tabulations) utilized in this (publication) were made available (in part) by the Inter-university Consortium for Political and Social Research. The data for CURRENT POPULATION SURVEY, MAY 1969 were originally collected by the U.S. Dept. of Commerce, Bureau of the Census. Neither the collector of the original data nor the Consortium bear any responsibility for the analyses or interpretations presented here.

In order to provide funding agencies with essential information about the use of archival resources and to facilitate the exchange of information about ICPSR participants' research activities, each user of the ICPSR data facilities is expected to send two copies of each completed manuscript or thesis abstract to the Consortium. Please indicate in the cover letter which data were used.

U.S. Dept. of Commerce. Bureau of the Census;
CURRENT POPULATION SURVEY, MAY 1969 (ICPSR 7996)

The May 1969 Current Population Survey was conducted primarily to gather data on the employment status, occupation and industry of persons 14 and over in the United States; general demographic information was also included.

Questions were asked about housing, type of employment, reasons for unemployment and efforts to find a new job, income, dual job holding, and education. This rectangular file has 119,903 records, each with a logical record length of 480. Class IV
