I am going to describe some things that people do. For each one, please tell me if you have done any of these things in the last 12 months, that is since...

Refer to first month on the TIMELINE.

Again, I will be asking you how many times you have done some of these things in the last 12 months. Just give your best estimate or guess.

Self Report of Offending

Instrument for Cohorts 15-18
Remember, at the beginning of the study, I told you about the special protection to ensure your privacy? The Federal Certificate of Confidentiality makes it illegal for anyone, even your parents or people at school, to see or find out what your answers are in this study. No one except our research staff will ever see them. Your answers can never be seen by police, the courts, your parents, or anyone else.

Also, I am not allowed to discuss your answers with you or anyone else. If you have any concerns or questions when we are through, you may want to contact someone on the resource guide I gave you earlier or you can call our office.

I am going to describe some things that people do. For each one, please tell me if you have done any of these things in the last 12 months, that is since...

Refer to first month on the TIMELINE.

Again, I will be asking you how many times you have done some of these things in the last 12 months. Just give your best estimate or guess.
In the last 12 months, have you.....
